## Inside

### Up Front

The City Council took formal action Tuesday on a number of items, ranging from endorsing a subdivision plat to approving sale of city parking meters and a city car.

Page 3A

The VP Fair will not be held over the 4th of July holiday this year in downtown St. Louis. But Granite City and other area municipalities will offer a variety of celebrations during the week that should help fill the void.

Page 5A

### Sports

One streak continued and another ended Thursday at Varsity Field. Belleville Post 58 won its 14th straight game with a 6-3 win over Granite City Post 113. The Triplets' winning streak ended at 10. DaRonc Stovall hit a two-run homer in the first inning and pitcher Kyle Luggie held the Triplets to one hit.

Page 1B

Paddlers topped Summersport of Godfrey 361-294 in a dual swim meet Tuesday at Paddlers. Paddlers will host Summerhaven on Tuesday.

Page 2B

### People

Rep. Sam Wolf, D-Granite City, would lose part of Venice to Rep. Wytvetter Young under a remap plan approved by the state House. Overall, however, the concentration of Democratic voters in Wolf's district would not change substantially.

Page 2A

Assistant State's Attorney Sheila Drucker, Madison County's chief prosecutor of rape and abuse cases, has resigned. Assistant State's Attorney Amy Maher will take over Drucker's duties.

## Area targeted for health study

By Bob Slate  
Staff writer

GRANITE CITY — As many as 900 residents of the Quad City area are being asked to participate in a study to determine the relationship between heavy metals in the environment and the concentration of those substances found in the body.

According to Tom Long of the Illinois Department of Public Health, the study will include neighborhoods within and surrounding the U.S. EPA Taracorp Superfund cleanup area. The two-phase study is designed to determine to what degree exposure to metals — especially lead in soil, in house dust, in paint and in the air — affects health hazards.

The study is being funded by a grant from the Agency for Toxic Substances and Disease Registry, and is expected to cost nearly \$750,000, Long said.

The study will be conducted in two phases, and will require 100 percent coop-

eration from participants, Long said.

The first phase will be a census, to be conducted door-to-door July 8-18, of those individuals living near the allegedly contaminated areas of Granite City, Madison and Venice. Questions to be asked include age, gender, race and other demographic data of residents necessary to select potential participants in the second phase. Long emphasized that all information collected will be kept confidential.

The second phase of the study, to take place in mid-to-late August, will consist of a questionnaire interview and biomedical (blood and urine) sampling of the participants. Environmental samples will also be collected at the time.

A control group, from an as yet undetermined location, will also undergo the procedures for comparison.

Samples will be sent to the laboratory at St. Elizabeth Medical Center, and labs in Atlanta and another location not yet specified, to determine if disease, or its

## Test could sway EPA

By Bob Slate  
Staff writer

GRANITE CITY — The results of a study to be conducted in portions of Granite City, Madison and Venice on the relationship between an individual's exposure to heavy metals in the environment and the concentration of those substances in the body will not only be used worldwide, but could possibly have important local ramifications as well.

Although Tom Long of the Illinois Department of Public Health would not guarantee that the results of the study would have any bearing on the U.S. Environmental Protection Agency's remedial action in the Taracorp National Priority List Record of Decision, Dr. Renate Kimbrough said that "it would be logical" for the federal agency to consider the results of the study.

Kimbrough, a toxicologist for the Institute for Evaluating Health Risk, has previously worked at the Center for Disease Control in Atlanta and at the EPA.

The U.S. EPA is planning remedial action that will include removal of about six inches of topsoil from areas surrounding the

(See TEST, Page 10A)

## Redrawn county districts assailed

By Bob Slate  
Staff writer

EDWARDSVILLE — Amid allegations of political favoritism and hints of racism, the Madison County Board Friday approved by a 19-6 vote a redistricting plan proposed by Legislative Committee Chairman Alan Dunstan.

Although the Quad City area (Granite City, Venice, Chouteau and Nameoki townships) will lose a seat and be represented by seven rather than eight districts for at least the next ten years, the two board members most affected by the change, Herbert "Junior" Milton of District 22 and Frank Dutko of District 24, voted in favor of the redistricting plan.

Milton and Dutko both live in the new District 22. Under the new plan, District 24 will include Moro precinct 2, Edwardsville precincts 12 and

21, and Ft. Russell precincts 1, 3 and 5.

Dunstan said that the average district population of 8,668 was derived from information obtained from the 1990 Census, which listed the total county population as 253,378.

The two black members of the board, Don Garrett, District 23, and Albert Charleston, District 8, were the most vocal opponents of the plan.

Garrett said he had "serious reservations" about the map. "A serious under-count, admitted by the Census Bureau... makes the figures we base our redistricting plan upon premature. We all know urban areas get the (most inaccurate) census count, and this is the case in the Granite City area," he said.

Garrett urged the board to seek an injunction in federal court to withhold proceedings

(See BOARD, Page 10A)

## Bennett appointed Venice police chief

By Valerie Evenden  
Staff writer

VENICE — James R. Bennett, a 20-year veteran of the Venice Police Department, has been appointed chief of police by Mayor Tyrone Echols. The appointment was last week approved by the City Council.

Bennett succeeds Biri Reed as police chief. Reed, also a 20-year member of the Police Department, who has served as chief since May 1, 1990, submitted his letter of retirement last week. It was effective Monday.

Bennett joined the Venice Police Department on Dec. 16, 1970. He was promoted from patrolman to corporal in September 1979.

Bennett was later promoted to sergeant and also served as the

police department's juvenile officer.

The new chief holds an associate degree in law enforcement from Belleville Area College. Reed had replaced long-time Police Chief Farrel Smith, who retired April 30, 1990.

Ironically, Smith, Reed and Bennett all joined the department in 1970. Smith joined the force in January 1970; Reed became a member of the department in June 1970; and Bennett was hired as a probationary police officer in December 1970.

Bennett has initiated several projects since assuming the office of police chief.

Currently, he is supervising summer youth workers who are clearing out and cleaning the indoor shooting range at the city garage.

## Pontoon gives Gaudette temporary appointment

By Valerie Evenden  
Staff writer

PONTOON BEACH — The question of who will hold the permanent position of village treasurer in Pontoon Beach remains undecided.

After a 76-minute executive session Tuesday, the Village Board of Trustees agreed to reappoint Raymond E. Gaudette, the incumbent treasurer, to the same post until his appeal of his termination is heard.

The termination of Gaudette as village treasurer, sought by Mayor Glen Wilson, was discussed at length in the executive session, according to village officials.

The position is appointed by the mayor with advice and consent of the Village Board of Trustees.

Gaudette will continue to retain his title on an interim basis until his objection to removal is formally heard by the trustees and a decision on the appeal is reached. An appeal

is being prepared. All trustees voted "yes" on Gaudette's temporary appointment and he then was eligible to pay the village bills.

The controversy over authority of the mayor to make his own appointments started in April soon after the April 2 election when Wilson was re-elected as mayor from a field of four candidates, including Village Treasurer Raymond Gaudette.

At the April 23 meeting three major village appointments proposed by Wilson were defeated on four-to-two votes.

The appointment of Charlotte Poyne as treasurer to replace Gaudette, the reappointment of Village Attorney Keith Jensen and the appointment of Bill Ross as health inspector to replace Jack Merritt were all turned down by a majority vote of Trustees Marvin Rubbing, Robert Douglas, Irene Karlebach and Loren Madison.

Trustees Bob Abel and Louis Whitsett supported the nominations.

(Staff photo by Pam Doepke-Hurd)

**EASY DOES IT:** Ed Durbin, top, and Ron Scheller, laborers with RCS Construction of Wood River, guide a 70,000-pound trench box into place so that workers can dig out the rest of an old storm sewer line on west Pontoon Road. New storm sewers are being placed along west Pontoon Road and the road will be widened from Rhode Avenue to the railroad crossing. Work should be completed in the next two months.

## Hot False alarm upsets fire chief

By Mike Myers  
Staff writer

GRANITE CITY — A false alarm Friday that Fire Chief Jerry Wallace believed was called in for political purposes left Wallace hotter than most fires.

"I am really, really, really upset," Wallace said. "Putting thousands of dollars worth of equipment out on the street and endangering the lives of people across a large section of our community is not the way to make your point."

Around noon Friday, North Granite was cut off from the rest of the world. Construction had closed the railroad crossing at 25th Street and a stopped train blocked both the 25th Street and Nameoki Drive crossings from Illinois 3.

By 12:15, irate residents were calling both the Press-Record/Journal and the Granite City Police Department. About the same time, the Fire Department received a report of a house fire on Nameoki Drive. The caller, described as having a male voice, indicated the house was completely ablaze.

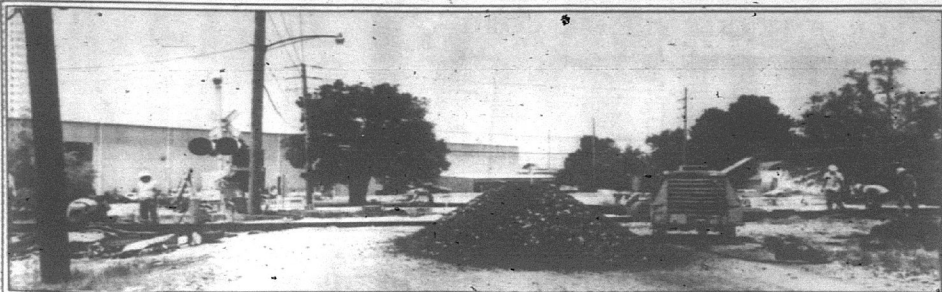

It was a false alarm, "a malicious false alarm," Wallace said, "designed to call attention to the problem."

Wallace said he had no proof the call was motivated by the blocked crossings, but said "given

(See ALARM, Page 2A)

(See GAUDETTE, Page 10A)

**RAILROAD WORKERS ARE REPAIRING** the 25th street crossing, making it impassable for vehicles. The crossings at 20th street and 22nd street are also closed due to railroad construction.

(Staff photo by Pam Dospeke-Hurd)

## Alarm

(Continued from Page 1A)

the fact the crossings were blocked, the high volume of traffic backed up and the number of complaints received by police, I have to believe that was his motivation.

The Fire Department, Wallace said, is well aware of the problems the North Granite residents have had with blocked crossings.

"We sympathize with them and want to work with them," Wallace said. "It is a real

problem. But there are other avenues that could be used to address the problem, but a malicious false alarm is not one of them."

Because both the 20th and 22nd street crossings into West Granite were also closed for repairs, traffic was rerouted onto the 19th Street overpass. Because the Fire Department had not been notified of the closed crossings, some of its emergency equipment first tried to use those. The department's response was further ham-

pered by the heavy traffic on the overpass.

With seven emergency vehicles from the fire department and five squad cars from the police department all trying desperately to get into North Granite, Wallace said there was a real potential for a traffic accident.

"Imagine the fear and frustration of my guys out there scrambling to find some way of getting access," Wallace said. "They didn't know there wasn't a fire. They were thinking, 'What if somebody is

trapped? What if there is a baby or children who we could have rescued if we could get in? I'm really thankful that nobody got hurt."

Police Chief Don Knight said his department has started investigating both the false alarm and the fact the railroad crossings were blocked.

"Since it is under investigation, I really can't say anything else," Knight said.

## Police log

### Three charges

Antonize A. Anderson, 19, of N. Benton in Edwardsville, was arrested at 5 p.m. June 21 and charged with assault, disorderly conduct and resisting a police officer.

An officer was dispatched to 12th Street and Edwardsville Road to assist in a traffic stop. Anderson is alleged to have been "unruly."

### Three injured in accident

GRANITE CITY — An early morning one-car accident June 22 resulted in injuries and several charges.

According to a police report, a gray 1978 Pontiac Sunbird driven by Peter L. Kinsey, 17, of South Main Street, Glen Carbon, was east bound on East 23rd Street when the car veered off the road, struck a utility pole, spun 180 degrees and came to rest about 150 feet east of Bromley Avenue. The accident occurred at 4:15 a.m.

Kinsey and two other passengers were taken by city ambulance to St. Elizabeth Medical Center. Brian W. Douglas, 20, of Edwards in Glen Carbon and Daniel J. Bobe, 30, of the 2200 block of Madison Avenue, Gran-

### Granite City

ite City, whose jaw was broken and who received stitches to his face.

Kinsey was charged with illegal transportation of alcohol by a driver and driving without a valid driver's license.

Bobe and Douglas were each charged with illegal possession of alcohol by a passenger.

A third passenger, Perry D. Kibbons, 19, of West Main Street, Glen Carbon, allegedly fled the scene on foot before police arrived.

Kibbons turned himself in at 7:20 p.m. June 22, but an active Edwardsville warrant was found charging him with failure to appear in court on a charge of battery. He was transported to the Madison County jail.

Anderson was released on \$204 cash bail.

### Car damaged

Jeff W. Thrasher, 28, of the 2600 block of Illinois 3 told police someone threw a cement block at his black 1979 Mercury Cougar at 3:20 a.m. June 17, causing \$800 in damage.

### House burglarized

Michelle Werner, 26, of Briarcliff Drive told an officer someone entered her residence between 8:50 a.m. and 1:20 p.m. June 19 and took a \$400 videocassette recorder. A battery charger and a chain saw, both of unknown value, were also missing.

### Garage burglarized

Thomas Papp Sr., 63, of the 2500 block of Pine Street reported a \$100 weed-eater and a \$300 tool box were taken from his garage between 3 and 4 a.m. June 20.

### PVO materials missing

Bill Bowen, PVO Foods project superintendent for Holland Hinrichs Construction, Inc., reported \$4,000 to \$5,000 worth of materials was missing from the construction site. He said the building supply materials were present at the site last Dec. 4, but were missing June 20.

## House approves remap proposal

By Joe Carroll  
Correspondent

SPRINGFIELD — House Democrats fired the first volley Thursday in what is likely to be a long, drawn-out battle over a new legislative map.

Area representatives reacted favorably to the proposed map, which is almost identical to one presented by Senate Democrats two weeks ago. That map was never called for a vote because Senate President Phil Rock, D-Oak Park, failed to line up the 30 votes needed to pass the bill.

The House on Thursday passed Speaker Michael Madigan's remap plan by a 69-to-45 partisan vote.

The downstate portion of the House map is identical to the Senate proposal, though some controversial changes in the Chicago area angered some Democrats whose chances of getting re-elected may be threatened.

The General Assembly is required to redraw judicial, legislative and congressional district boundaries every 10 years and bring them into line with new U.S. Census figures. This year, every Senate district will have an ideal population of 96,870.

House Republicans predicted the matter would end up in court and said Gov. Jim Edgar would probably veto the plan if it ever gets to his desk. The proposal

may also face resistance in the Senate.

Neither chamber of the General Assembly has advanced a proposal for redrawing congressional districts, in part because Democratic incumbents in Chicago are unable to come to an agreement on a new map.

Six Republican members of the Illinois congressional delegation filed a lawsuit Thursday asking the court to take over the job from the General Assembly, saying it is unlikely the Legislature will do the job by tonight, when the session is supposed to end.

House GOP Leader Lee Daniels, R-Elmhurst, said Madigan's proposal is unfair and will not stand up in court. Madigan said the map meets the requirements of the U.S. and Illinois constitutions, as well as the federal Voting Rights Act of 1965.

Rep. Wyvetter Younge, D-East St. Louis, would gain parts of Venice, Madison and Shiloh Valley Township, to help make up the 10,500 residents her district lost in the 1980s.

Rep. Sam Wolf, D-Granite City, would lose part of Venice to Younge, but overall the concentration of Democratic voters in Wolf's district would not change substantially. The 11th District lost about 2,000 residents in the 1980s, which would be made up by giving Wolf Marine, Alhambra, Leef and Douglas townships.

# Council OK's Bischoff plat, awards sewer project work

By Bob Slate  
Staff writer

GRANITE CITY — The City Council took formal action last week on a number of items, ranging from endorsing a subdivision plat to approving sale of city parking meters and a city car.

The council Tuesday concurred with a Plan Commission recommendation to approve the final plat of the proposed Bischoff Subdivision and dedication and vacation of Schaeffer Road.

The property is a part of a project establishing a Wal-Mart store in the area.

Awarded the West Pontoon Road sewer improvement project to the low bidder, C.D. Peters Construction Co., with a bid of \$147,445.

Passed a resolution authorizing the mayor to apply for Madison County Community Block Grant Funds for the following projects:

Neighborhood Revitalization — \$250,000, City Cleanup — \$67,450 and Public Improvements — \$130,000.

Referred a variance application by Rick and Pam Pinkston, 2625 Pine St., back to the Planning and Zoning committee.

The Zoning Board of Appeals recommended granting the variance following a hearing June 12, but questions concerning whether a basement under the nearly completed home jeopardizes the city's standing in a federal flood insurance program prompted the council to postpone action until the issue can be researched.

7th Ward Alderman Jeff Worthen, chairman of the council's Planning and Zoning Committee, said.

Amended the city's fence ordinance, by a 11-1 vote, as recommended.

**Veterans are offered free cruises**

Gateway Riverboat Cruises has designated July 2 to July 7 as Patriotic Week and is inviting all Desert Storm veterans to ride for free on the new Belle of St. Louis riverboat during any day-time cruise that week.

The Belle, which will be decorated in honor of the July 4th holiday, boards at 11:30 a.m. and sails the Mississippi River from noon until 2 p.m. The cruise includes live musical entertainment and a treasure hunt for children. A variety of food and beverages is available.

"We want to show our appreciation to the many fine women and men who served our country during Operation Desert Storm," said Patrick Kaiser, president of Gateway Riverboat Cruises.

Desert Storm veterans must show identification to ride for free. Reservations are requested for more information or reservations, call (314) 621-4040.

commended by the Plan Commission. Worthen said the amendment changes the procedure in applying for a variance, changes maximum and minimum fence heights, and allows fences to be placed along the front and side lot lines.

Second Ward Alderman Jim Miller cast the lone dissenting vote on the amendment.

Repealed ordinance 4562, which annexed the Chain of Rocks Motel, located on West Chain of Rocks Road just east of Illinois 3, into the city.

Adopted a new ordinance annexing the Chain of Rocks Motel into the city.

Worthen explained that, prior to the original annexation, notice of the petition to annex the property was given to Long Lake Fire Protection District and to Nameoki Township. But the property was actually located in the Mitchell Fire Protection District and Chouteau Township, necessitating notification of those taxing bodies and adoption of the new ordinance.

Failed, by a 1-11 vote, to approve a contract for "white collar" city workers. Fourth Ward Alderman Dan Partney, former chairman of the city council's now defunct Negotiating Committee, said the union had previously approved the contract.

Partney cast the lone vote in favor of ratifying the contract.

Granted a request by the Downtown Merchants to have 19th Street, from Grand Avenue to Edison Avenue, closed to through traffic from 8 a.m. Friday to 5 p.m. Saturday, and again from 8 a.m. August 2 to 5 p.m. August 3, to hold the group to hold its annual downtown Sidewalk Sale.

Gave Police Chief Don Knight permission to sell parking meters no longer used in the city, and permission to advertise for bids to sell computer hardware no longer used by the department.

Sold a city-owned car formerly driven by retired Safety Director Dick Portell to the lone bidder, Matt Hopke of South Roxana, for \$102.

In other action, 7th Ward Alderman Sandy Crites, chairman of the Traffic and Lights

Committee, reported that the committee recommends all handicapped parking spaces in the future be limited to 20 feet in length, excepting extenuating circumstances.

She said exact location of the placement of signs will be at the discretion of the Street Department.

First Ward Alderman Juanita Crawley, chairman of the City Hall and Buildings Committee, reported razing of 2030 Edison Ave., next to city hall, is currently under way.

The location is expected to be used for additional city hall parking.

Miller urged the council to ask the county, by means of a resolution, to pick up additional costs incurred by the city in implementing the 911-emergency telephone system.

Miller said Chief Knight had reported costs to the city associated with bringing the system on line and operating the system will be greater than we were led to believe.

Two aldermen — 3rd Ward Alderman Paul Fisk, who was out of town, and 2nd Ward Alderman Virgil Kambarian, who had a prior commitment — were absent from the meeting.

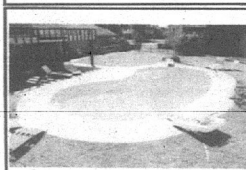

**STAR-STRUCK:** Betty Downs, 17, of Granite City, left, gets a hug from teen star Tommy Puett, known for his role as Tyler Benchfield on ABC-TV's "Life Goes On." Puett recently appeared at St. Louis Centre for a question and answer/autograph session.

## Bus fares will rise five cents

Bi-State buses will be going your way for a little more dough beginning tomorrow, July 1.

The biggest fare hikes will be in Missouri, but Madison County fares are also going up. The fare increases are expected to help the agency raise an additional \$1 million per year, Bi-State Development Agency spokeswoman Denise Zerillo said.

Adult fares for the express bus routes in Madison County will increase to \$1.30 from \$1.25, and for children aged 5-12, it will rise to 65 cents from 60 cents.

Senior citizens and disabled persons will pay 65 cents, up from 45 cents.

The good news is that local fares for all passenger classifications will remain the same: 85 cents for adults and 40 cents for children ages 5 to 12 and the elderly and disabled.

Cost of a 10-ride student ticket will go to \$5 from \$4.25, but the price of other tickets and passes will remain the same.

There will be several fare increases in Missouri as well, Zerillo said.

The cost of most transfers is also going up. Adult transfers in Madison County will rise to 20 cents from 15 cents, and for senior citizens and the disabled, the free transfers will now cost a dime. Transfers for children will drop to 10 cents from 15 cents, Zerillo said.

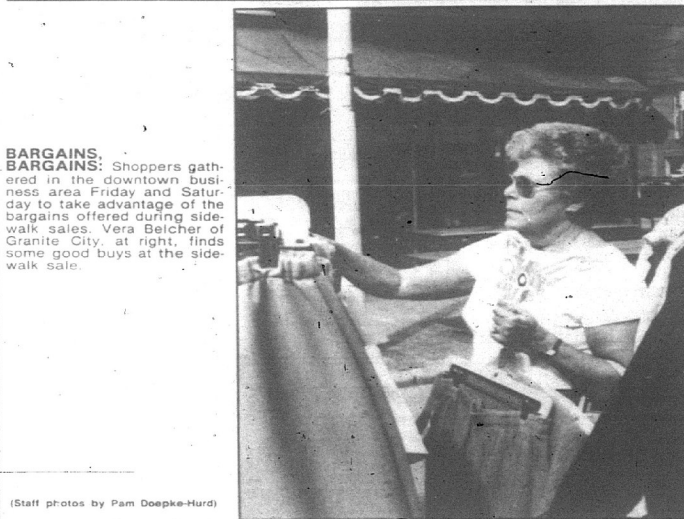

In addition, only one boarding per transfer will be allowed. Adult transfers from local to express buses will rise to 45 cents from 40 cents, and for children it will go to 25 cents from 20 cents. For senior citizens and the disabled it will go from free to 25 cents.

Bi-State riders were asked to choose between two fare increase proposals, Zerillo said. The agency held a public hearing in May at the Madison County courthouse and requested rider response through leaflets placed on buses. A special telephone line was also set up to handle responses and comments.

Almost 1,000 responses were received, most of which favored the current increase plan, Zerillo said. The other plan would have increased all fares by the same percentage.

Bi-State has a new telephone number for Illinois customers that will replace the old toll-free number. The new number is 231-2345. The old number, 1-800-223-3287, will remain functional for an unspecified transition period.

— From the Alton Telegraph

**BARGAINS, BARGAINS:** Shoppers gathered in the downtown business area Friday and Saturday to take advantage of the bargains offered during sidewalk sales. Vera Belcher of Granite City, at right, finds some good buys at the sidewalk sale.

(Staff photos by Pam Doeppke-Hurd)

## Free tickets for crafts program

Granite City Public District Library will have a scary mask crafts program for children ages 7 to 12. Using tissue paper, paper bags, and other craft items, children will create scary masks of their choice. All materials will be provided free of charge.

This activity will be held at

10:30 a.m. on July 2 at the Main Library and at 2:30 p.m. at the Branch Library, 2145 Johnson Road.

Free tickets will be available at both library locations starting this week, but space is limited. For more information call the Main Library at 452-6238.

## 55-Alive driving course begins July 9

The 55-Alive Driving Course will be available in Granite City starting July 9.

The program is designed to increase the older driver's concern for the normal age-related physical changes in vision, hearing, and reaction time as they affect driving, and increase awareness of appropriate techniques for driving in today's complex traffic patterns.

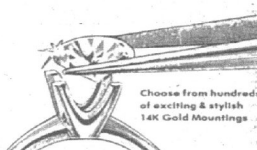

The course will be held at the

Granite City Campus of Belleville Area College, 4950 Maryville Road, on Tuesday and Wednesday, July 9 and 10, from 9 a.m. to 1 p.m. in Room 316.

The cost per person is \$8 for the two-day session and may be paid on the first day of class.

For further information call the BAC's Retired Senior Volunteer Program (RSVP) in Granite City at 931-0600 (extension 046) between 9:30 a.m. and 12:45 p.m.

# No VP Fair, but plenty of other celebrations in area

St. Louis may not be holding the VP Fair on the fourth of July, but that does not mean Independence Day will go by without a celebration.

Local communities are providing carnivals, games, picnics, barbecues, singing, dancing and fantastic fireworks displays to make more than take the place of the Veiled Prophet Fair.

The Granite City Independence Day celebration runs from July 8-7 at Wilson Park on State Street.

Carnival rides open July 3 at 6 p.m. and continue until 11 p.m. Musical entertainment will be provided by the Alley Cats at the ice rink.

On July 4, the carnival opens at 1 p.m. Musical entertainment will be performed by folk guitarist Chris Vahlilo of Rushville, Ill.

A fireworks display by Star Fireworks begins at about 9 p.m. On July 5 there will be a carnival matinee from 1-5 p.m. Tickets are 5 for \$2. During matinee, fare for rides is only one ticket.

Rides return to regular prices after 5 p.m. Regular ticket prices are 35 cents per ticket, with rides ranging from two to four tickets per ride.

Music will be offered by the Country Music Machine from 7-9 p.m. at the ice rink.

On Saturday the carnival opens at 1 p.m. Musical entertainment will be performed by Mel Berkel and His Variety Men from 7-9 p.m. at the ice rink.

There will be a Fitness Trail Committee Walk-a-thon also; no details at this date.

On Sunday, carnival matinee runs from 1-5 p.m., then goes back to regular price after 5 p.m. There will be a craft show at the ice rink from 10 a.m. to 5 p.m.

Carnival rides are provided by Sycamore Amusement of New Athens.

Here is a list of other celebrations in the area:

**Belleville:** Belleville's International Freedom Festival begins at 9:30 a.m. on the Fourth of July. It is an all-day event held on the grounds of Belleville Area College's Belleville Campus, 2500 Carlyle Road. The festival will include colonial re-enactments throughout the day, ethnic food booths, musical entertainment by the Scott Field Band and a 30-minute fireworks display by Sunset Fireworks.

**Information now available from census**

Federal census information is now available to the general public through the Illinois State Library, the 18 regional library systems, and the state-wide network of documents depository libraries.

Secretary of State and State Librarian George H. Ryan said that population and housing data for Illinois has been transferred from computerized 1990 census tapes to microfiche pages.

Census data can be obtained from local public libraries or by writing: Documents Coordinator, Illinois State Library, 300 S. Second St., Springfield, Ill., 62701.

About 10,000 people are expected to attend.

Shuttle bus service will be available. Buses will be leaving every half hour beginning at 9:30 a.m. from Belleville East High School, 2555 West Blvd.; Sav Mart on Carlyle Road and the Belle-Claire Fairgrounds, 200 S. Belt East Blvd. Buses will be leaving every hour from Scott Air Force Base. The last bus leaves the Freedom Festival 30 minutes after the fireworks display.

Bus fare is 75 cents for adults and 25 cents for children under 12.

The event is being sponsored by the city of Belleville, Belleville Area College and the St. Clair County Bicentennial Committee.

In addition, a circus and petting zoo is scheduled to arrive July 3-7 at Laderman Park, 1105 Mascoutah Ave. in Belleville.

The circus and zoo are being provided by Joe Frisco of Florida. More than 50 animals ranging from an elephant to rabbits will be presented. Circus acts will be performed at 5 p.m. and 7 p.m. weekdays and at 2 p.m. and 4 p.m. on Saturday, Sunday and the holiday.

Tickets at the gate are \$1.50 for the zoo and \$3.50 for the circus.

Combined tickets purchased in advance are \$4.

Advanced tickets may be purchased at both branches of the Belleville Public Library, the Parks and Recreation Department, Belleville City Pool, City Hall, Belleville Economic Progress Incorporated and Kaffer's restaurants.

**Collinsville:**

The Collinsville July 4 fireworks display is being sponsored by the Collinsville Jaycees. Fireworks will begin at about 9 p.m. at the Collinsville Jaycees Sports Complex on Old Collinsville Road.

The Jaycees recommend that those attending arrive early for parking purposes and bring lawn chairs or blankets to sit on. About 5,000 people are expected.

**Troy:**

The Seventh Annual Troy Independence Day celebration will be an all-day event July 4 beginning at the Tri-Township Park on Parkside Drive in Troy.

The day begins at 8 a.m. with

a fishing derby. At noon there is a horseshoe pitching contest followed by co-ed volleyball games. There will also be craft and food booths in the park.

A fireworks display by Sunset Fireworks begins at dusk, about 9 p.m. event is sponsored by the Tri-Township Jaycees. Troy VFW Post 976, Troy American Legion Post 708 and the Troy Fire Department.

About 3,000 people are expected to attend.

**Columbia:**

Columbia's 15th annual July 4 celebration is an all-day event held at the American Legion Park on Locust Street.

Fish and beer stands open at 11 a.m. followed by a co-ed softball tournament.

Anyone wishing to participate in the tournament can sign up to play at the park before the festival begins.

At noon, American Legion Post 581 will hold bingo games. At 1:30 p.m. the horseshoe tournament begins.

At 2:30 p.m. the Ozark Mountain Daredevils at 6 p.m. and The Marshall Tucker Band at 8 p.m.

Following the fireworks display at 9:30 p.m. musical entertainment resumes at 10 p.m. with Morgantown.

Other entertainment includes Aina Temple Shiner Krazy

Klopper is a card game similar to pinocchio.

A fireworks display will be set off by Sunset Fireworks at about 9:30 p.m.

About 3,000 people are expected to attend. In case of rain, the celebration will be July 5.

**Alton:** Fireworks on the Mississippi in Alton features two days of entertainment for the whole family.

Festivities begin at noon on July 3 when the food booths open. Musical entertainment begins at 3 p.m. with Beat Street, 4 p.m. is Murphy's law, 5 p.m. is Sketchbook, 6:30 p.m. Ralph Butler, 8:30 p.m. Heartland, then there will be a half-hour fireworks display. Musical entertainment continues at 10 p.m. with Lou Rawls and at 11:30 with Butch Wax and the Hollywoods.

On July 4, Independence Day, opening ceremonies begin at noon. The Heaters kick off the day's musical entertainment at 2 p.m., followed by Rondo's Blues Deluxe at 4 p.m., the Ozark Mountain Daredevils at 6 p.m. and The Marshall Tucker Band at 8 p.m.

Following the fireworks display at 9:30 p.m. musical entertainment resumes at 10 p.m. with Morgantown.

Other entertainment includes Aina Temple Shiner Krazy

## Equal pay proposal goes to governor

A bill extolling equal pay for equal work is heading to Gov. Jim Edgar.

The Senate, with the bare 30-votes needed, approved the "comparable worth" proposal that would bring the pay of female state employees up to par with male counterparts. Supporters have been attempting to get such a measure passed for nearly a decade.

The victory may be shortlived, however. Edgar said he supports the principle of "same pay for the same work," but he said the legislation may

cost the state too much and he would have to consider a veto.

Edgar said he would reserve final judgment until he has a chance to review the bill.

Senate supporters argued that the time was long overdue to eliminate the pay inequality in jobs traditionally held by women compared with those held by men.

Opponents, including some women Republican senators, argued it could end up costing the state and taxpayers hundreds of millions of dollars in

salary boosts.

The bill would require a review of all the state's job classifications by July 1, 1992. Pay based on similar duties and responsibilities would be equalized over 10 years.

Bill supporters claim, for example, that nurses are typically paid less than auditors, while the same amount of education and training may be required. Nursing tends to be dominated by women, while most auditors are men.

## Local residents urged to fill out survey forms

Granite City and Chouteau township officials are urging residents to return surveys that could help their areas qualify for public improvements subsidized by county money.

Dave Williams of the Granite City Economic Development office and Chouteau Township Supervisor Morris Miles both say response to the survey from residents has been less than 100 percent.

The surveys are being used to determine if more than half of the residents of a particular area meet the low to moderate-income guidelines established to qualify for Madison County Community Development funding.

Williams reports survey response has not been good in either North Granite or the downtown area.

Of the 55 returned forms from the downtown area, 22 homes qualified as low to moderate income, Williams said. Seventy-six qualifying homes must be confirmed in the target area downtown for it to receive Community Development help.

In North Granite, 36 of the 65 survey forms returned were

from qualifying residences, but 102 qualifying homes must be confirmed for that area to receive money.

The deadline to return forms is Monday, Williams said.

Miles said the survey process in Chouteau Township is an ongoing project. He said the township generally attempts to qualify one street each year for the county program. Telephone calls and door-to-door solicitations are used, but Miles said some residents still fail to return the survey forms.

"If there's a million dollars or so out there available in the county, we want Chouteau Township to get its share. Right now Barkley Street is only two or three homes away from qualifying," Miles said.

He said Margaret and Chouteau avenues were also close to meeting the qualifications for funding, with several survey forms still returned.

He urged residents, "Please turn (survey forms) in. If this money doesn't come to our area, it will definitely be used somewhere else."

## Red Cross sponsoring car wash July 7

The Tri-City Chapter of the American Red Cross will conduct a car wash July 7 in an effort to raise additional funds to help support Red Cross services throughout the Tri-City community.

The car wash will be held at O'Brien Tire Service at the corner of Pontoon and Nameoki Roads. The event will begin at 1 p.m. and will run until 4 p.m. Tickets to have your vehicle

washed may be purchased prior to the event. The price is \$3 for cars and \$4 for pick-up trucks and vans. Tickets may be purchased at the Red Cross office at 3728 Nameoki Road in Granite City.

Red Cross services include disaster-emergency assistance, service to members of the Armed Forces and their families, CPR, first aid, and aquatics courses, and blood services.

## Chamber offers insurance

GRANITE CITY — The Tri-Cities Area Chamber of Commerce is offering its members an insurance plan designed to provide small businesses with group rates and top benefits.

The chamber is hoping the insurance plan will not only provide a benefit to current members, but will attract new members as well. "Many small firms cannot purchase group benefits because of their size," said Janet Mills, chairman of the chamber's Small Business Committee. "But the chamber health insurance plan can offer benefits to even a one-man firm. It gives a small business the ability to purchase group benefits at a savings much like the large corporations."

The insurance plan, which offers disability, medical and life insurance, is administered by the United Chambers Insured Plans, a group that serves more than 3,200 chambers of commerce nationwide.

"United Chambers can offer cheaper rates to small businesses because all of those small businesses are pooled into one group," Mills said.

But, she added, the plan is flexible and each business can tailor its policy based on the needs of the business and its employees and still have a policy with an affordable price.

Business owners who are interested in more information about the plan, or who would like to be put in contact with a United Chambers representative, may call the Tri-Cities Area Chamber of Commerce, 866-6400.

## BURT divers join in search

By Vetrica Evenden  
Staff writer

A search for underwater hazards at a popular swimming lake in Alton was made during last weekend by the Bubblematters Underwater Recovery Team (BURT) of Granite City.

Local divers searched the swimming area at Gordon Moore Community Park, where a 12-year-old Alton girl drowned on June 20.

The divers found no evidence of any debris that could have contributed to the accidental drowning of Genisha Hubbard during a family outing at the lake, Marjorie Crockarell of the local recovery team said.

Genisha's body was found shortly after 5 p.m. June 20 at

the bottom of the lake after a frantic 20-minute search. She was declared dead at 5:38 p.m. at Alton Memorial Hospital.

Before the lake was reopened to the public, the local divers scoured the bottom to ensure there were no hazards.

Measurements made by BURT divers also verified that ropes strung with buoys, separating the shallow and deeper waters, were properly placed, Crockarell said.

Genisha was last seen near a buoy where the water is about four feet deep, but her body was discovered on the bottom in about nine feet of water, near the center of the deep area.

An inquest on Genisha's death is scheduled for July 17.

## Bills aim at phone surcharge

SPRINGFIELD — Lawmakers have disconnected the Illinois Commerce Commission from imposing special charges on phone and other utility bills to subsidize one group of customers.

Two bills approved in the Senate without opposition and sent to Gov. Jim Edgar were sparked by the controversy earlier this year over a 15-cent-a-month surcharge on telephone bills to subsidize service to the poor.

Besides barring the ICC from imposing such mandatory charges in the future, the Senate also sent to Edgar a bill that would allow utilities to solicit voluntary contributions to help pay for service to low-income customers.

The 15-cent phone charge was repealed by the ICC in March after thousands of protests were received by commission members and legislators. The revenue was to be used to be matched by federal funds for the subsidies for customers who qualified for aid programs.

Critics, however, also noted that Illinois Bell proposed to spend a large percentage of the revenue on administrative costs.

From the Alton Telegraph

## Drucker quits as prosecutor

Assistant State's Attorney Sheila Drucker, Madison County's chief prosecutor of rape and abuse cases, has resigned.

Assistant State's Attorney Amy Maher will take over Drucker's duties.

In government offices people move on. That's part of the case here," said Mark Von Nida, a spokesman for the state's attorney's office. Drucker is "going to seek other opportunities."

Drucker's resignation Friday, Von Nida said, will not hinder prosecution efforts. "We were well prepared for this," he said.

Maher has coordinated the office's Child Protection Task Force since January. The task force works with police in developing sexual-abuse and child-abuse cases, Von Nida said.

From the Alton Telegraph

## CUB urges opposition to IP rate hike proposal

The Citizens Utility Board is urging consumers in the Metro East to voice their opposition to a proposed Illinois Power \$106 million rate hike at a public hearing being held in the area on Monday, July 8.

This will be the only chance for Metro East area consumers to express their views to the Illinois Commerce Commission on the proposed rate hike, the sixth rate hike request in five years.

The hearing will begin at 7 p.m., at Granite City Township Hall, 2060 Delmar, Granite City.

CUB experts will be challenging IP's request. CUB also is continuing its court appeals of the company's last two rate increases. IP is seeking an 18 percent increase over current rates to pay for construction of the Clinton nuclear power plant and for miscellaneous operations and maintenance costs.

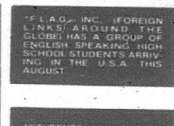

Consumers attending the hearing will be able to make statements directly to the ICC. The comments will become part of the official record in the ICC's deliberations on the rate increase. CUB is a non-profit, statewide consumer group created by the General Assembly to work for lower utility rates. CUB is supported solely by consumer donations.

# Entertainment

Granite City Sunday Home Journal—June 30, 1991—9A

## New releases include 'Outer Limits' shows

Offbeat old television shows don't die, they just go to video. "The Outer Limits" was a science-fiction anthology series that ran on ABC Saturday nights in the mid-1960s, offering kids a chance to see a new monster every week. (A monster per episode was one of the network's requirements.) MGM/UA is releasing 12 hour-long shows that have not been on video, making all 48 episodes of the series now available. Each episode sells for \$12.99.

Unlike "The Twilight Zone," which dealt more with fantasy and irony, "The Outer Limits" was likely to have an alien bedeviling the human stars. In "Cry of Silence," Eddie Albert and June Havoc portray a couple whose farm is attacked by a life force that turns natural objects into hostile creatures.

Frogs and tumbleweeds start ganging up on the aggrieved couple, with the force finally possessing Albert himself. Nothing like this ever happened to him on "Green Acres."

Several stars of "Star Trek" got their first taste of other

worldly experience on "The Outer Limits." William Shatner plays an astronaut in "Cold Hands, Warm Heart," the saga of a man who comes back from a trip to Venus with great plans to colonize the planet. His plans hit a snag when his body goes through weird transformations due to the Venusian environment.

Leonard Nimoy is one of the participants in a murder trial where the defendant is a robot that killed its creator in "I, Robot."

James Doohan ("Star Trek's" Scotty) plays the title role in "Expanding Human," yet another story of a scientific experiment gone amok. This time, it's consciousness-expanding substances that put Doohan through some Jekyll and Hyde paces.

Robert Duvall portrays a hired assassin whose assignment is to infiltrate a space-craft and kill its alien operator in "The Chameleon." Duvall must first have a genetic operation that makes him resemble the funny-looking creatures he's to bunsap off.

## Fireworks on Mississippi

### Alton celebration to light up holiday

By Teresa Kaemmerer  
Staff writer

Alton's "Fireworks on the Mississippi" festival is the closest thing in the area to the former VP Fair Fourth of July celebration.

Just a short trip north of the Metro East can put Independence Day celebrants in Alton's Riverfront Park, where they can see big-name entertainers and boat races, and browse among the food and crafts booths.

The festival also will feature the area's biggest fireworks display.

In three years, the Alton festival has grown beyond the wildest imaginations of its sponsors to become one of the biggest Fourth of July celebrations in the St. Louis area.

"From year to year, it astounds us how it has grown," said Becky Wright, president of Riverfront Charities Inc., a non-profit group that sponsors the event.

The festival began as a community event, not to compete with the VP Fair, but as an alternative for those who did not want to fight the crowds and traffic, Wright said. This year,

people from all over the St. Louis area are expected, she said.

"It was a lucky break for us, that they are not having (the VP Fair on July 4) this year," Wright said. "We were second choice last year and now we're first choice. We're jokingly say we ran them out of business."

The VP Fair has been moved to the Labor Day weekend this year to allow completion of construction at the Gateway Arch.

"Fireworks on the Mississippi" was expanded this year to live up to its status as first choice of July 4 celebrations. Two days of entertainment — on stage, street and river — should be enough to meet the needs of any celebrant.

Festivities begin at 3 p.m. July 3, with entertainment for the next 10 hours. Local dance groups and bands will perform throughout the day on the main stage, and in the Family and Global village areas.

Fireworks will be shot off at 9:30, followed by a concert by Lou Rawls at 10 p.m. Butch Wax and the Hollywoods wrap up Wednesday's entertainment with a concert at 11:30 p.m.

Activities commence at 11 a.m. July 4 with a parade down Broadway in Alton. The parade is open to everyone, and will be led by Russell Dunham, a World War II veteran and Congress-

ional Medal of Honor recipient.

Throughout the day, local groups will perform. The Ozark Mountain Daredevils perform on the main stage at 6 p.m., followed by The Marshall Tucker Band at 8 p.m.

River activities also will be part of the entertainment Thursday, including sailboat races at noon and powerboat races at 1 p.m. The fireworks will run a little longer Thursday, beginning at 9:30 p.m., followed by a concert by Morgantown.

Craft, antique and food booths will be open both days.

9:30 p.m.: Fireworks  
10 to 11 p.m.: Lou Rawls  
11:30 p.m. to 1 a.m.: Butch Wax and the Hollywoods

# School

Granite City Sunday Home Journal—June 30, 1991—11A

## Mathews to attend ITT

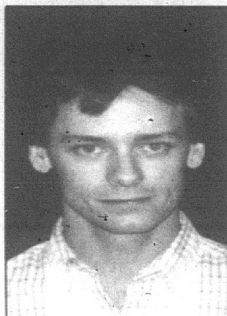

Jeffrey Mathews of Granite City has enrolled in the electronics engineering technology program at ITT Technical Institute. The center is one of a nationwide network of postsecondary degree-granting schools operated by Indianapolis-based ITT Educational Services, Inc. (ITT/ES). Mathews, graduated from Granite City High School in 1991. The 96-week program, which begins September 1991, will prepare Mathews for an entry-level position in the Electronics field. After completing the program, Mathews will be provided with assistance from ITT Technical Institute's placement office.

## Local student graduates

Jeffrey Scott Cooper of Granite City was among 560 students awarded degrees during DePaul University's 152nd Commencement on May 25. Cooper received a bachelor of arts in political science. The commencement address was delivered by James K. Baker, chairman of Arvin Industries, Inc. and current chairman of the United States Chamber of Commerce.

## Project focuses on space tomatoes

Todd Brady, a third grade student at Maryville School, did a science fair project on second generation space tomatoes, comparing them to second generation regular earth tomatoes. Todd started both sets of seeds at the same time. His space tomato plants have the mutations as the ones grown at Belleville Area College and drew the same conclusions for his science fair project. His space plants grew much faster than the earth plants and the leaves are very different from the first generation plants. The plants haven't produced any tomatoes yet, but Todd is looking forward to seeing how the plants will produce.

Timothy McPherson  
... fellowship winner

## McPherson gets fellowship at College of Pharmacy

Timothy B. McPherson of Granite City received the O.J. Cloughly Fellowship Award for outstanding academic achievement during the St. Louis College of Pharmacy's commencement exercises last month. McPherson was among 149 graduates of the St. Louis College of Pharmacy to receive a bachelor of science degree in pharmacy during commencement exercises held at the St. Louis Scottish Rite Cathedral. McPherson, the son of Michael and Mary McPherson, is a 1986 graduate of Granite City Senior High. As a student at St. Louis, McPherson is the Student Director of the Metro East Pharmacist Association, a member of Phi Lambda Sigma and the Rho Chi Honor Society. McPherson

has twice won the Edith C. Bucke Scholarship. He was also the recipient of Phi Lambda Graduate Fellowship Award and the Merck Award. McPherson will be attending Purdue University to pursue a Ph.D. in physical pharmacy.

## Geggus graduates

Jane Alison Geggus of Granite City was among the 328 Union University seniors who were graduated in a June 2 ceremony. U.S. Rep. John Tanner addressed the graduates while Dr. Franklin Paschall, pastor emeritus of First Baptist Church of Nashville, was baccalaureate speaker.

## Student gets medical degree

Wynndel T. Buenger was graduated from St. Louis University School of Medicine May 18.

Dr. Buenger, a 1983 graduate of Granite City High School, received a Bachelor of Science degree in Chemistry from St. Louis University in 1980.

Having scored in the upper 20 percent of all medical students taking National Boards test parts one and two and receiving honors in his field of specialty, Dr. Buenger chose the Cleveland Clinic in Cleveland, Ohio, to pursue his board certification in anesthesiology.

He will serve a one-year internship and a three-year residency at The Cleveland Clinic.

Buenger is the son of Gail and Carlene Buenger and the grandson of Walter and Evelyn Buenger, all of Granite City.

Wynndel T. Buenger

## Ex-officer earns degree

Pete Kostecki, a former Madison City police officer now working at Emerson Electric in St. Louis, graduated from LaSalle University with a grade point average (GPA) of 3.75 and earned a Bachelor's Degree in Criminal Justice Management.

In addition, Kostecki is a senior manager with Nicol and Associates located in Granite City. He is a licensed life, health and securities agent.

Pete lives in Madison - is divorced and has two daughters, Sarah, 11, and Melanie, 7.

He is the son of Rose Kostecki, who lives in Madison and the late Pete Kostecki.

## Man graduates from seminary

Columbia Bible College and Seminary in Columbia, S.C., has announced the graduation of Gordon V. Failoni. He is from Granite City, and has completed his Bachelor of Arts degree with a major in Biblical Studies and a minor in General Ministries. Gordon is the son of Mr. Gordon Failoni of Granite City.

To report a fire in Mitchell, call 931-1120

## Local educators will make presentations at meeting

Four local educators will make a presentation Aug. 1-4 at the Whole Language Umbrella Conference in Phoenix.

They are: Dr. Carolyn Andrews-Beck of Southern Illinois University at Edwardsville, resident of Edwardsville; Barbara Varadian of Parkview School in Granite City; resident of Glen Carbon; and Mary Morgan and Phyllis Talley, also of Parkview School and both residents of Granite City.

Their presentation, entitled Starting the Year in Middle Grade Whole Language Classrooms, will be part of three and

a half days of workshops and presentations at the second annual conference of the Whole Language Umbrella.

The Whole Language Umbrella is a grassroots organization of whole language groups and individuals. The primary purposes of the WLU are to improve the quality of learning and teaching at all levels of education and to provide support for member groups and individuals.

For further information about the conference, call the Center for Establishing Dialogue in Teaching and Learning, (602) 994-1333.

## Kubelka gets nursing degree

Caryn A. Kubelka graduated from the University of Pennsylvania with a bachelor's degree in nursing May 21.

Kubelka received the Sigma Theta Tau Nursing Honor Society award for outstanding academic achievement and leadership.

Kubelka has accepted a position at Duke University Hospital in Durham, N.C., where she will be employed as a staff nurse on the Adolescent Medical/Surgical Oncology Unit.

She is a 1987 graduate of Granite City Senior High School and the daughter of Joseph and Phyllis Kubelka of Granite City.

Caryn Kubelka

## Student wins scholarship

Kristi Holsinger of Granite City High School has been named a 1991-92 Ellen Browning Scripps Scholar at Knox College.

The award includes a four-year scholarship of \$3,000 annually toward tuition at the highly selective college of the liberal arts and sciences.

Holsinger is the daughter of Kent and Faith Holsinger of Granite City. A member of the National Honor Society, Holsinger was the most valuable player on the tennis team, and was president of the photography club.

Scripps Scholars are named in honor of Ellen Browning Scripps, an 1859 graduate of Knox, who cofounded the Scripps-Howard newspaper chain. Her philanthropic support helped found Scripps College and Scripps Institute of Oceanography.

Knox College awards academic scholarships to highly motivated students who have demonstrated outstanding scholastic achievement, leadership ability, creative talents and community service.

## Streakin'

### Belleville's at 14; Triplets' string ends at 10

By Dave Whaley  
Staff writer

GRANITE CITY — Thursday's game at Varsity Field was more than a little odd.

Instead of their customary red jerseys, the Triplets were decked out in their blue warmups. But what was really odd was that Post 113 lost.

That's the first time that's happened in more than three weeks. Belleville Post 58 kept its winning streak alive at 14 and ended the Triplets' string at 10 with a 6-3 victory. The Hilgards improved to 15-1 (9-1 in District 2 play) while Post 113 fell to 12-2.

"I don't think this game will really mean too much next month," said Belleville manager Kent Muskopf, referring to a possible matchup in the District 2 finals. "This one was kind of messy with a lot of errors on both sides."

Indeed, two teams who came in with combined 25-2 records made a total of seven errors. But it was the pitching of Kyle Luggie which made the difference. He carried a no-hitter into the seventh before Erik Lewis tied off with a single to center.

The Triplets ended the game with the tying run at the plate, but Brian Harshany was caught looking at strike three on a 3-2 pitch.

"We only had one hit, but we had legitimate chances," said Post 113 manager Ralph Burnett. "I hope we get another shot at (Luggie). These are the two best teams around I'm sure of that."

Drake Marshall (4-1) was the starter and loser for the Triplets. He was greeted rudely by DaRond Stovall in the first inning.

Marshall was throwing at several hitters, and he hit Schrand in the fourth inning after throwing a pitch behind Stovall in the third. Marshall, who played for Belleville last summer, was warned by the home plate umpire after that.

"I know Drake because he was with us last year, and he's a great competitor," said Kent Muskopf. "He might have lost his composure a little bit, but he wants to win."

"I don't think he lost his composure all that much," said Burnett. "Drake is good enough that if he wants to hit somebody, he would have hit them. It's not like he hit three or four guys. It's probably a little more in focus because he used to be teammates with those guys. You have to be able to throw inside to hitters, and I don't want to take away from his competitive nature."

Marshall settled down and allowed only seven hits. "I really think he threw a pretty good game," said Burnett. "We just got beat. I'm not disappointed in our team. They'll come back from this. They wanted to go 19-1, but 17-2 is still out there for them."

"I don't want to get into the umpiring too much, but it was bad behind the plate. I thought we had Stovall struck out the second time he was up, but he got the walk and that led to a run. I went behind the fence a couple of times to see what was going on. It's tough playing nine against 10, especially when No. 10 is behind the plate."

Bill Van Buskirk reached on an error to break Luggie's streak of 15 in a row leading off the sixth. A walk and another error loaded the bases, and Harshany scored.

The Belleville players thought BAC has camp here

The athletic department of Belleville Area College is sponsoring a series of week-long summer baseball camps for boys ages 8-17, including one at the Granite City Campus from July 22-27.

There is a limit of 75 participants per camp. Applications will be accepted on a first-come, first-served basis. Pre-registration is strongly recommended. The camps run from 9 a.m. to noon each day.

For information or applications, call the BAC athletic department at 235-2700 (extension 271) or toll-free (in Illinois) 800-BAC-5131, extension 271.

DaRond Stovall is greeted by his teammates after hitting a two-run homer in the first inning Thursday, paving the way for Belleville's 6-3 win over Post 113.

Marshall was throwing at several hitters, and he hit Schrand in the fourth inning after throwing a pitch behind Stovall in the third. Marshall, who played for Belleville last summer, was warned by the home plate umpire after that.

"I know Drake because he was with us last year, and he's a great competitor," said Kent Muskopf. "He might have lost his composure a little bit, but he wants to win."

"I don't think he lost his composure all that much," said Burnett. "Drake is good enough that if he wants to hit somebody, he would have hit them. It's not like he hit three or four guys. It's probably a little more in focus because he used to be teammates with those guys. You have to be able to throw inside to hitters, and I don't want to take away from his competitive nature."

Marshall settled down and allowed only seven hits. "I really think he threw a pretty good game," said Burnett. "We just got beat. I'm not disappointed in our team. They'll come back from this. They wanted to go 19-1, but 17-2 is still out there for them."

"I don't want to get into the umpiring too much, but it was bad behind the plate. I thought we had Stovall struck out the second time he was up, but he got the walk and that led to a run. I went behind the fence a couple of times to see what was going on. It's tough playing nine against 10, especially when No. 10 is behind the plate."

Bill Van Buskirk reached on an error to break Luggie's streak of 15 in a row leading off the sixth. A walk and another error loaded the bases, and Harshany scored.

The Belleville players thought BAC has camp here

The athletic department of Belleville Area College is sponsoring a series of week-long summer baseball camps for boys ages 8-17, including one at the Granite City Campus from July 22-27.

y's sacrifice fly made it 6-1. But Ryan Reeves struck out and Dan Partney grounded out.

Lewis hit — which Stovall might have had a chance to catch if he had dived — and two more walks loaded the bases in the seventh. A fielder's choice and Jeff Stephen's sacrifice fly made it 6-3. Luggie issued his fifth walk, to Mike Nordstrom, to bring the tying run up, but Harshany was caught looking.

"Kyle got a little tired," said Muskopf. "He only walked four batters the whole high school season (at Belleville West). And those were the first earned runs he has given up all summer."

"But we're playing great right now. We got some timely hitting and I know facing Marshall was an incentive for these guys. They're all competitive and they really mesh well. Sometimes that doesn't happen when you combine high schools in the summer, but the West and Althoff guys seem to get along real well."

Both teams had won their season openers, lost their second game and hadn't lost again until Thursday.

The Triplets left for Evansville, Ind., on Friday and played two games there Saturday. They are then idle until July 9.

## Rieser helps Juniors collect twinbill split

By Brian Henry  
Correspondent

GRANITE CITY — Joe Rieser, fast becoming the ace of the Junior Triplet pitching staff, put together his second strong performance in a row Friday in a 7-2 win over Edwardsville.

Edwardsville gained a split of the double-header with a 9-6 win in the nightcap to leave Granite City with a 10-6 record (9-4 in league play).

Rieser allowed only four hits and fanned nine in going the distance for Tri-City's fifth straight complete game.

"I was able to throw where I wanted," he said. "The off-speed pitch was working well. I'm as surprised as anyone else would be."

"Joe came through like a champ tonight," said manager Greg Patton. "These aren't chump teams he's been facing. Evansville (Ind.) and Edwardsville are as good as they come. Now, he's up there with Chad (Dooley) and Ben (Hicks)."

Unlike the 3-0 loss to Evansville on June 22, Rieser got some support from the offense. Dooley scored on an error for a 1-0 lead in the second. Rieser retired 10 of the first 11. Brian Allaria singled and scored for a 1-1 tie in the fifth.

But, as usual, one big inning iced the game for the Junior Triplets. They got six in the bottom of the fifth, scoring four after two outs. Brian Kohler doubled and Jason Maxfield singled.

After an out came four straight two-out hits. Bill Herman drove in one, then Jeff Luffman's double scored two more. Luffman scored on Les Nunes' hit. Dooley doubled to deep center for another RBI.

"Chad hasn't had many innings this year and he just got tired," said Edwardsville manager Terry Lynn. "He had the two outs, but he just fell apart."

Edwardsville scored once more in the seventh, but Rieser fanned two and Luffman caught Mike Schwartz trying to steal third to end the game.

"I don't know what happened

1st Game  
GRANITE CITY 7, Edwardsville 2  
EDWARDSVILLE 0-0 0-0 1-2 4-4  
GRANITE CITY 0-0 0-0 0-7 10-9  
EDWARDSVILLE: Stammer 2B, Allaria 2B, Dooley RB, Schwartz 1B, Rogers 1B, RB, LP, Soliman (6 inn.) R-2, ER-2, H-10, SO-3, BB-1.  
GRANITE CITY: Marshall 1B, Herman 1B, RB, Luffman 2B, 2BBI, Nunes 1B, RB, Dooley 1B, 2B, RB, Kohler 2B, 2BBI, Nunes 2-3, WP-Rieser 17 inn., R-2, ER-2, H-4, SO-6, BB-2.

2nd Game  
Edwardsville 9, Granite City 6  
EDWARDSVILLE 0-0 0-0 0-6 9-6  
GRANITE CITY 0-0 0-0 0-6 6-6  
EDWARDSVILLE: Chastain 2B, Stammer 1B, RB, Schumacher 1B, Stammer 1B, 2B, 2BBI, Thompson 1B, Allaria 1B, Voe 1B, RB, WP-Thompson 17 inn., R-4, ER-4, H-4, SO-4, BB-4.  
GRANITE CITY: Kohler 2B, 2BBI, Nunes 2-3, RB, Opped 2B, Wilson 1B, 2BBI, LP-Nunes 3 inn., R-4, ER-4, H-5, SO-4, BB-4.

to them," said Rieser. "They were a real good team in high school. I mean, they're still a good team, but I was surprised at how they played."

"A lot of our pitchers have been getting complete games lately. We don't have to use everybody and we need to do that because of the games we have coming up."

In the nightcap, Tri-City trailed 3-1 before scoring five runs on just two hits in the third inning. Kohler had a two-run double and Bob Wilson had two RBIs with a single.

Brent Dippel was relieved by Nunes in the fourth and Nunes took the loss. Edwardsville got four in the sixth.

"We were looking to get a split, but after we won the first game we got a little greedy," said Patton. "Brent is a little tired and his mechanics are off. Les did a good job, but we were a little greedy."

Lynn was ejected in the second inning after the umpires discovered he had chewing tobacco. After his ejection, he continued to argue and was eventually expelled from the field.

Belalto beat Tri-City 11-5 on Wednesday.

Jason Mathenia  
off to Europe

### Mathenia to play soccer in Europe

Jason Mathenia of Granite City is heading to Europe to play soccer with the East West Soccer Ambassadors.

Mathenia, a 1991 graduate of Granite City High School and a former player for the Warrior varsity team, was selected following tryouts to represent the Under 19 U.S.A. East West Ambassadors. He leaves Monday from O'Hare Airport in Chicago. The trip includes a one-week training and practice camp in Germany, as well as participation in the Austria Cup and the Italy Cup. The trip ends July 22. Expenses for Mathenia's trip were raised from donations and contributions and a benefit dance held in March. Special thanks go to Raintree Taxi, Checker Club, C & D Greenwood Tavern, the Moose Club, Moose Auxiliary Soccer For Fun and Vesci Distributing for their contributions.

### Skoal Bandit event coming to Tri-City

The Skoal Bandit racing night scheduled for Tri-City Speedway on Wednesday has attracted plenty of talent.

The program includes USAC midgets, IMCA modifieds, limited late models and street stocks. Among more than 40 USAC midget entries are Stan Fox of Janesville, Wis., who finished eighth in this year's Indianapolis 500. Former USAC champion Larry Rice will set his headstuds aside from ESPN's *Saturday Night Thunder* and put on his helmet to compete in the 30-lap USAC Midget National event.

### We're Sorry

In this week's Great July Sale circular, the following items may not be available:

•The Manhattan and Keystone waterbed sheet sets may not be available due to the manufacturer's inability to ship. We will gladly issue rain checks for these items, featured on page 12 for the sale price of 15.99.  
•The glenham lined basket may be in limited quantities due to high customer demand. We regret that rain checks cannot be issued for this item, featured on page 15 for 9.99.

We apologize for any inconvenience this may cause you.

**Venture**

Local favorite Kevin Gundaker will headline the entries for the limited late models on the half-mile track.  
Racing will begin at 7:30 p.m. and includes four main events. Discount coupons for \$2 are available at all Clark service stations. For more information, call 314-947-7287.

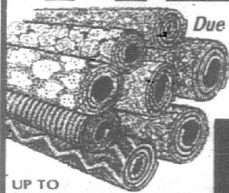

### YMCA golf classic slated for Sept. 6

The 9th annual Tri-City Area YMCA Golf Classic will be Sept. 6 at Arlington Golf Club.

The four-person flighted scramble event will begin with a shotgun start at 1 p.m. There will be 18 holes (with cart) and a \$500 prize for a hole-in-one. Refreshments, trophies and prizes will be available, along with a 6 p.m. steak social at Wade and Hazel Rollins' clubhouse.

The fee is \$70 for gold and the steak social, or \$30 for the steak social only. Proceeds go to the YMCA youth programs. The event is sponsored in part by Vesci Distributing Co. Co-chairmen are Rosemarie Brown and Leonard Woolsey. The YMCA golf committee is Mike Bilbrey, Larry Calvo, Tom Fields, Al Hudzik, Jack Lee, Tim Depp, Bob Harris, Pat Barker and Rose Stern.

## QCSA camp led by British coaches

British soccer coaches will conduct a camp at the Quad-Cities Soccer Association complex this summer.

British Soccer Camps will conduct an instructional and recreational camp program for the whole community from July 29-Aug. 2. All the coaches are licensed semi-pro or professional coaches from England. Players from ages 4-18 of all abilities can benefit from a week or world

class coaching.

The enrollment fee is \$58. All registrations must be received before July 14. Make checks payable to Quad-Cities Soccer Association and mail the check together with an application to Tom Cholevik, 2551 Morrison Road, Granite City, Ill., 62040.

For more information, call British Soccer Camps at 1-800-378-2167 or Cholevik at 931-4691.

## FOR YOUR INFORMATION

HOURS: Monday through Friday 8 a.m.-5 p.m.

Closed Saturday and Sunday

ADJUSTMENTS: Please report any errors the first day your ad appears. The Journal will not be responsible for errors that occur after the first day. If you cannot locate your ad or the Journal will extend the schedule of that ad. The adjustment of the error will not exceed the cost of the ad.

Please check your ad for correct classification and proper spelling of names. All the time you appear on the ad. Please verify spelling of any unusual words or names. The Journal reserves the right to edit, reject, or cancel the publication of any ad.

CANCELLATION: To cancel an ad, call 877-7700. Please send your cancellation number. This number will serve as your record of cancellation in case of any misstatement, delay, or adjustment. You must call before the deadline to cancel an ad. There is no refund on early cancellations unless you are a subscriber.

BOX CHARGES: Replies picked up at the Journal. \$300/week. Replies mailed to advertiser. \$500/week.

ABOUT THE JOURNALS: There are 44 Journals which provide local target advertising opportunities. Combined circulation is 660,000. Households. Combined circulation is 639,000. Households.

DISPLAY DEADLINES: Please call a Journal sales representative for information pertaining to ads that require display advertising.

ABBREVIATIONS: Private party ads are changed by the word "private party" and are not necessary. Standard abbreviations will be accepted only in commercial real estate and franchise advertisements.

All real estate advertised in this newspaper is subject to the Federal Fair Housing Act of 1968, which makes it illegal to advertise any preference, limitation, or discrimination based on race, color, religion, sex, or national origin, or any other basis prohibited by federal, state, or local law.

This newspaper will not knowingly accept any advertising for real estate which is a violation of the law. Our readers are informed that all dwellings advertised in this newspaper are available on equal opportunity basis.

To complete a discrimination call HUD toll free at 1-800-424-8500.
